ELI'S CHEESECAKE & DESSERTS

Eli's Cheesecake was founded by famous American restaurateur Eli Schulman. His popular restaurant, Eli's the Place for Steak, was frequented by celebrities like Frank Sinatra, Dean Martin, and Sammy Davis Jr. Eli developed a rich and creamy cheesecake as the signature dessert for his restaurant, and it became an instant success. Eli's family continues his tradition of hand-decorated and hand-made desserts, baked with the finest ingredients available.
